Basic Skirt Terms

Centre FRONT: New side seam with spring or swing added.

Centre BACK: New side seam with original side seam.

Basic Skirt Terms:
- DART: Dart opening (must be proved for folding).
- Dart stitching lines or dart "legs".
- Drill mark inside the dart (must be circled).
- Dart end (pivot point or apex).
- Dart width or "dart value".
- Seam allowance.

These are square, and are both at 90 degrees.

New side seam added.
